

2012 SWVA MRC Stars

January 2013

For another year, the Southwest Virginia Medical Reserve Corps is extremely grateful for all the support given by volunteers in 2012. During the National anniversary year, the Unit was able to take on new challenges and build the capacity in repeat events. **THANK YOU** for the commitment each volunteer has made to answer the call when needed.

County Captains

The team of County Captains for the Southwest Virginia Medical Reserve Corps are active volunteer leaders who will work closely with the Unit Coordinator during emergency deployments to make sure that all volunteers have the information they need when an alert is sent.

During the year when volunteers are not needed for emergencies, the County Captains will be looking for outreach activities in their respective communities and will work to coordinate these activities with local volunteers. This could be Drug Take Backs, Kidney Disease Screenings, athletic or community events and/or health fairs. County Captains will be contacting their group of volunteers to solicit support for these outreach activities.

Please feel free to contact your County Captain if you have any questions.

- Gena James—Dickenson County
- Kirsten Fleming & Kathy Neace—City of Bristol
- Gail Rector—City of Galax
- Karen Falin, Keith Giza, Jennifer Cox & Roger Bays—Wise County/City of Norton
- Kay Matlock & Amanda Graham—Lee County
- Donna Baker—Scott County
- Nathan White—Tazewell County
- Donna Harless, Michael Hayter & Janie McGlocklin—Washington County

- Mary Kelley & Robby Wingate—Grayson County
- Gail Mullins, Moe Thompson & Bill Garrison—Smyth County

If you would be interested in joining this group of volunteer leaders, Captains are still needed in several counties. Please contact Kristina Morris for information and an application.

Thanks to Bill Garrison for his service in 2012 as the VISTA Representative to the Medical Reserve Corps. Bill was instrumental in recruitment and volunteer management in the LENOWISCO Health District

and provided the coordination and management of volunteers during the Wise County Remote Area Medical Expedition. Big Thanks to Bill!

Congratulations to Rev. Barbara Farmer who was recognized as Outstanding MRC Volunteer at the Integrated Training Summit in Nashville, TN, in May. Barbara was honored for her work with the SWVA MRC during the Washington County Tornado Response and Recovery.

- Just a reminder, as a SWVA MRC member one of your primary responsibilities is to keep your VVHS record current and up-to-date. If you need help, please call the Volunteer Coordinator at 276-274-0555.
- The statewide MRC video trainings schedule will be released soon. Now is a good time to get your VA TRAIN account set up, so you can register for trainings as soon as the schedule is posted on the website and on Facebook, www.va.train.org.
- Thanks again to each and every member of the SWVA MRC. As the anniversary year for the Medical Reserve Corps came to a close, it was so exciting to reflect on what this unit accomplished during 2012. Look forward to an exciting 2013!
